Children must be taught how to think,
not what to think.

When students walk through the Sunbeam campus, they will feel respected because of what the sunbeam family has allowed for our students to experience.

Dr. H. George Arvind, M.B.B.S., PgD(Harvard)

"Educating the mind without educating the heart is no education at all". At Sunbeam, we strive for a 'value-centric' education system.

Sunbeam promises to provide holistic education for our students in a secure and nurturing environment.

Dr. Joan Arthi, M.D.,(GM) M.D.,(Pulmo) (USA)
Super Speciality in Pulmonology & Critical Care

It is the mark of an educated mind to be able to entertain a thought without accepting it.

At Sunbeam there are lots of spaces outside the classrooms for collaboration so that there are lots of opportunities for the kids to spread out.

Foreword

Dr. T. Harigopalan M.A., L.L.B., Ph.D.,
