TECH QUEST ROBOTICS FESTIVAL

06.12.2025

Sunbeam Schools, organised 'Tech Quest', a robotics festival bringing together students from various Sunbeam campuses. The event provided a dynamic platform for young innovators to design and present projects ranging from beginner models to advanced automation systems. Students demonstrated creativity, problem-solving skills and futuristic thinking with confidence and clarity. The festival reflected the school's commitment to nurturing 21st-century skills and STEM learning. Judges appreciated the enthusiasm and innovation displayed, noting that the event celebrated ideas, teamwork and future-ready thinking. The programme concluded with recognition of all participants.
